Understanding & Supporting Children with Dyslexia

Course Length: ½ day

Course Tutor: Andrew Whitehouse

Audience: All school staff

Aims: This is a fun, informative and effective workshop which not only show your team how to work more effectively with a range of learners, but gives them knowledge and understanding of dyslexia. This deeper knowledge allows them to feel confident in creating interventions.

Course Content:

- What is Dyslexia?
- How does having dyslexia impact on social and emotional needs?
- Communication issues and simple strategies to overcome them
- Guidance on clear communication skills, sensory considerations
- Effective strategies to enhance tracking and reading skills using readily available resources.
- Making extra time meaningful (study, homework, revision, assessments etc.)
- A range of structured, multisensory strategies/teaching and learning methods designed to improve literacy skills (including spelling) and general in class understanding.
- Where next? How phonic remediation **and** interventions can make a substantial difference to learning.
