# SEN Inset Courses

At People First Education, manageable and effective inclusion matters. We have been supplying bespoke Special Educational Needs Training since 2007, providing personalised ASD (Asperger Syndrome/Autism), ADHD, Dyslexia and Dyspraxia interventions. We communicate closely with you in order to meet your needs effectively to ensure that your whole team are confident in their role. Our training is consistently graded as Excellent.

Our fun, informative and effective workshops give your delegates the knowledge and understanding necessary to feel confident in creating effective interventions when working with individuals and groups of learners.
